

YORK COUNTY

Application to Install a New or Modify an Existing Driveway

(Owner) _____ requests permission from the York County Road Department to install a driveway or modify an existing driveway in the public Right-of-Way of York County.

Location

Quarter _____, Section _____, T- _____ -N, R- _____ -W, Township _____

On Road _____ between Road _____ and _____

Note: Attachment showing exact location of proposed driveway is required.

Brief Description of proposed work - (Include size and depth of proposed driveway - Maximum allowed width is 40 feet)

If a culvert is required, the minimum size will be 18 inch. If a larger culvert is required, it will be noted below.

Date requested to install or modify driveway _____

The owner will be responsible to call the "Diggers Hotline" to locate utilities, to construct the driveway and to furnish a driveway culvert if required by York County Road Department. The owner will also be responsible to maintain the driveway and the driveway culvert (if required) as long as it is in place. The owner will not hold York County, the York County Board of Commissioners, the York County Road Department or any Employees of York County responsible for any cost or damages incurred due to the construction of this driveway. The permit holder shall inform the York County Road Department prior to and upon completion of the construction of said driveway so that work may be inspected. The permit holder agrees to restore the public road and right-of-way to its original condition. The permit holder will furnish signs in accordance with the MUTCD during construction.
