STATUTES NEBRASKA REV STATUTES 77-1801

Section 18 of Chapter 77 deals with tax sales and certificates. You may view the chapter at <http://statutes.unicam.state.ne.us/>. You are not purchasing the property. You have no authority over the property or its disposition whatsoever. You are purchasing a tax lien on the property by paying the back taxes. You should contact an attorney at this time. In three years' time you can take action to foreclose on the property if the tax sale you bought is not redeemed. During the three years you can pay subsequent delinquent taxes as they become delinquent on May 1 and September 1 of each following year.

There are statutory time limits which determine the life of a tax certificate. It is generally three and 9 months. If you don't take action to foreclose within the statutory time limits you will likely LOSE your entire investment. Statutory requirements include notification timelines that must be met prior to three and 9 months. We do not provide any notification of these expiring time limits nor do we advise you on how to foreclose on a tax sale or to obtain a tax deed.

RULES OF THE SALE

The following are the rules of participation in our tax sale which are designed to protect the taxpayers of York County. If we have to make a decision on an issue that is not statutory we will almost always defer to the taxpayer who lives here, owns property here, and is therefore paying taxes here.

When checking in on day of sale, if not previously submitted, you will be expected to provide a blank check payable to the York County Treasurer. We will stamp the check "for deposit only" at time of submission. After the completion of bidding, we will process your tax sales in a timely fashion and mail or email copies of the certificates. We hold the originals here to protect you from their loss during mailing. A lost certificate requires a bond. When we have computed a total purchase amount we will process your check and send it to the bank. We will email you with your total purchase check amount. The certificates do take some time to process, you may not have the amount for a couple of days.

The certificates will be issued in the name that you designated when you registered. After the certificates are produced you will have to pay the \$20.00 reassignment fee to change certificate ownership name(s) or to actually assign the certificate to someone else.

REDEMPTION

When a tax certificate is redeemed you will be paid a 14% simple interest rate from the date of sale to the date of redemption. Please note the \$20.00 purchase fee is not reimbursed. Your check will be sent out approximately 10 days after redemption.

LEFTOVERS

After the sale and after all the paperwork is processed there are usually some delinquent taxes that are still unpurchased. A listing will not be available for at least 1 week after the sale. The updated list will appear on our website.
