**SPECIAL ISSUE**

“Shall the York County Historical Association be authorized to increase its tax levy to a rate not to exceed 0.000616, which levy would generate approximately \$30,000 annually based on the current certified taxable valuation, for the purpose of funding the operation, preservation, and programming of the York County Historical Association?”

(This would be an approximate increase of \$0.62 per year per \$100,000 of taxable property value.)”
